

Position Paper

Committee: ECOSOC, Economic and Social Council

Written by: Greece

Topic: Cultural and Economic Reform and Optimization of the Post-Pandemic United Nations System

As the delegation of Greece, we are more than honored and proud to be a part of this conference. This delegation is pleased to be in this committee in which we will be discussing about economic and social impacts of pandemic.

This topic is essentially important for Greece, our country, furthermore for all over the world. As many countries are effected by the COVID-19 pandemic, we are one of those countries that is effected by pandemic. According to the economic rankings of world countries; unemployment and poverty levels are increased in an extraordinary way.

Greece is a peaceful country and we will look for a sustainable solution for economic crisis that pandemic effected. We are going to try to help most of the countries that are effected by economic and social crisis.

We will effort to make this world livable for all countries and search for the solutions to equalize world countries economic standards.

We are aware of the fact of our economic standards and we will do our best to improve our level among world countries.

We have our appreciation from the beginning and would like to thank all the delegates who will be debating with us. We are more than honoured to be a part of this conference. Thank you.
