Agenda Item : Israeli-Palestinian Conflict: The Military Occupation of the Gaza Strip and Its Implications

People's Republic of China is a country in East Asia. China is one of the founding members of the Shanghai pact. For nearly fifty years, PRC has been a member state of UN. Being one of the biggest rising powers in globalizing world, China stands on the side of Palestine and Arab countries in mentioned crisis.

The crisis between two countries, Israel and Palestine, has been escalating for century and has been deeply effect on the world and the Republic of China has concerns about the given topic. The war situation is escalating day by day and harming more and more people. More and more people are dying, suffering,losing their homes and loved ones day by day. PRC is not pleased with a war environment in which people suffer and die. The Republic of China condemns the countries that supporting the war and argues that the war is to be ended as soon as possible and peace environment be restored.

The Republic of China is ready to help economicly and diplomaticly to end the crisis between two countries. The Republic of China suggests that the solution is the contuniation of administration of two states and more ever, PRC emphysizes the importance of creating a peace environment in the name of United Nations.
