Committee: DISEC

Topic: Impact of illegal arms trade routes to the Sahel region and the surrounding states

Introduction

Spain is aware of the serious impact of illicit arms trade routes on the Sahel region and neighboring states. Spain will help because it is a country with international responsibilities

Current Situation

The proliferation of illegal weapons in the Sahel region poses a threat to us. This illegal trade fuels violence, terrorism and organized crime.

Spain's Position

Multilateral Cooperation: Spain stresses the importance of cooperation between countries, regional organizations and the international community to curb illicit arms trafficking.

Border Security Enhancement: Spain should conduct monitoring to prevent arms smuggling across borders in the Sahel region.

Disarmament Initiatives: Spain supports efforts to reduce the availability of illicit weapons and disarmament efforts.

Humanitarian Assistance: Spain provides humanitarian aid and support to populations affected by the effects of the illicit arms trade.

Conclusion

Spain will work with the international community to find solutions to curb the illicit arms trade in the Sahel region. Spain believes that by supporting cooperation we will solve this problem.

Thank you.
