Ministerial Statement

To the federal Chancellor of Netherlands,

This document is submitted in order to reflect the stance of The Kingdom of Netherlands and explain the priorities of Netherlands regarding the topic of reducing the threat of the Soviet Union.

Statement of the first ministry:

Netherlands supports NATO with the ending of the cold war and Soviet dissolution. Netherlands stands with negotiations and actions taken by the alliance in order to solve conflict and maintain peace.

Statement of the second ministry:

The Netherlands strongly supports NATO's decision to improve the bonds between the members. Cooperation and transparency are essential in order to build trust and prevent future conflict.

Statement of the third ministry:

The Netherlands believes that NATO should stay a strong alliance and work together to prevent future conflict and keep standing together. Netherlands support NATO while maintaining commitment to long-term peace.

Respectfully submitted,

Minister Klaas de Vries

Kingdom of the Netherlands.
