Paragraph 1 – Country Background

Afghanistan is a country in Central Asia. There is no coast to the sea. The neighbors of Afghanistan are Iran, Uzbekistan, China, Pakistan, Turkmenistan and Tajikistan. The capital of the country is Kabul. Its population is forty-three million. Various peoples live in Afghanistan. The people living there are Pashtun, Turkmen, Tajiks and Uzbeks. Afghanistan is a poor country. Agriculture and animal husbandry are done. Houses are made of adobe.

Paragraph 2 – Historical Background

Our houses are very old and unstable. We don't have many hospitals and schools. We don't have parks. We can't play games. There is a war in our country. We are not safe. The children are hungry and have housing problems.

Paragraph 3 – National Policy

We want your help. We want to study at school. The school must be built. When we are sick, we want a doctor and a hospital. We want to live in good houses. We want a warm house in winter. Only you can do these. If we children get a good education, then we can do all of this.
